Why Mentor Education

www.mentor.edu.au

“I was extremely impressed with the quality of the training that you delivered”

Tony Read - Mentor Education Diploma Graduate

Established in 2003, we are Australia's largest privately owned training organisation focused purely on Financial Services & Business training market. Many of our graduates currently work for Australia's leading financial services institutions (including Big 4 Banks) and small businesses all around Australia.

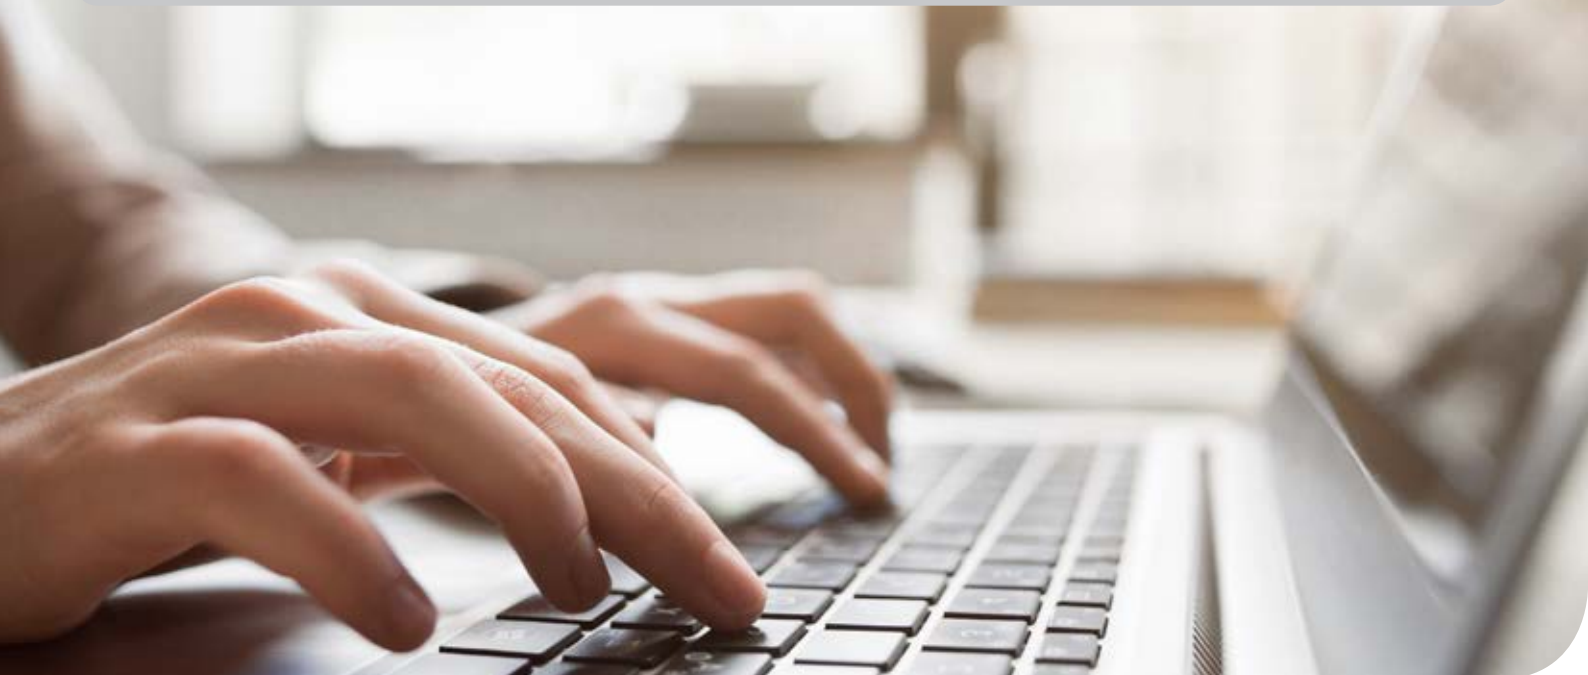

Building on the strong relationships we develop with learners completing our courses, our industry experts are available by arrangement to provide ongoing mentoring on an individual or organisation-wide basis. Learners can also benefit from access to current industry information through our state-of-the-art Continuing Professional Development (CPD) program and Best Practice Review Audits.

Exemplary Student Support

Mentor Education has gained an enviable reputation as the only financial training organisation that can deliver outstanding RG146 compliance and financial training coupled with personalised student support and customer service.

Our commitment to you

Our commitment is exemplified by the high level of student support received - our industry experts and assessors are available to personally respond to your questions and offer constructive feedback and guidance.

Student Support

To help you thrive and achieve your study goals, expert teacher support is available to you

Course Overview

The Advanced Accounting Principles Skill Set (FNSSS00015) delivered by Mentor Education is a nationally recognised course designed for individuals seeking to update their qualifications from previous Diploma of Accounting training packages to gain entry into the Advanced Diploma of Accounting (FNS60217).

Mentor Education's Advanced Accounting Principles Skill Set (FNSSS00015) is a nationally recognised qualification, complying with the AQF standard and ASQA standards for Registered Training Organisations.

Who Should Enrol?

The skill set is catered to individuals who apply advanced accounting principles in accounting job roles. The Advanced Accounting Principles Skill Set is suitable for individuals that may have completed older versions of the Diploma of Accounting qualifications (FNS10 Training Package or earlier) that wish to update their qualification for entry to the new Advanced Diploma of Accounting (FNS60217) or individuals seeking entry into the Advanced Diploma of Accounting (FNS60217) seeking to meet unit entry requirements.

Entry requirements

This is an open entry skill set with no pre-requisite qualifications. In order for participants to successfully complete this course, it is recommended they have an accounting or bookkeeping background, have completed previously an equivalent Diploma of Accounting Course, have practical accounting or bookkeeping experience and have strong literacy and numeracy skills.

Assessment

To complete your assessment and meet the requirements for performance evidence, you may be required to undertake a combination of tasks. These can include:

Assessment may include:

- Short Answer Questions
- Long Answer Questions
- Multiple Choice Questions
- Case Study and Scenario's
- Projects
- Presentations
- Research Tasks
- Role Play

Examples of activities that can be allocated to students included in self-directed hours may be:

- Set reading (textbook/workbook)
- Instructed research
- Self-directed research
- Webinars
- Forums

Course Outline

Course Outline

Units of Competency

FNSACC511 - Provide financial and business performance information

This unit describes the skills and knowledge required to analyse and report on a range of financial and business performance information. It involves assessing client needs, analysing data and preparing advice.

It applies to individuals who use specialised knowledge, systematic approaches, and analytical techniques to prepare customised information for clients.

FNSACC512 - Prepare tax documentation for individuals

This unit describes the skills and knowledge required to prepare non-complex income tax returns for individuals. It involves gathering data, calculating taxable income and reviewing compliance requirements.

It applies to individuals who use systematic approaches and follow specific guidelines to ensure compliance requirements are met.

FNSACC513 - Manage budgets and forecasts

This unit describes the skills and knowledge required to prepare, document and manage budgets and forecasts. It involves forecasting estimates and monitoring budgeted outcomes.

It applies to individuals who use specialised knowledge and analytical skills to prepare and manage organisational information.

FNSACC514 - Prepare financial reports for corporate entities

This unit describes the skills and knowledge required to prepare financial reports for a corporate entity. It involves gathering and analysing data and meeting statutory reporting requirements.

It applies to individuals who use specialised knowledge and analytical skills to prepare financial reports that meet specific requirements.

FNSACC516 - Implement and maintain internal control procedures

This unit describes the skills and knowledge required to review corporate governance requirements, implement internal control operating procedures, and monitor associated policy.

It applies to individuals who use specialised knowledge and analytical skills to ensure organisational procedures, compliance and quality requirements are met.

FNSACC517 - Provide management accounting information

This unit describes the skills and knowledge required to gather, record and analyse operating and cost data as well as prepare budget reports and review costing system integrity to calculate and record the costs of products and services.

It applies to individuals who use specialised knowledge and analytical skills to manage complex financial data and develop comprehensive organisational reports.
