Certificate IV in Credit Management (FNS40115)

Course Overview
Established in 2003, we are Australia’s largest privately owned training organisation focused purely on Financial Services & Business training market. Many of our graduates currently work for Australia’s leading financial services institutions (including Big 4 Banks) and small businesses all around Australia.

Building on the strong relationships we develop with learners completing our courses, our industry experts are available by arrangement to provide ongoing mentoring on an individual or organisation-wide basis. Learners can also benefit from access to current industry information through our state-of-the-art Continuing Professional Development (CPD) program and Best Practice Review Audits.

Exemplary Student Support

Mentor Education has gained an enviable reputation as the only financial training organisation that can deliver outstanding RG146 compliance and financial training coupled with personalised student support and customer service.

Our commitment to you

Our commitment is exemplified by the high level of student support received - our industry experts and assessors are available to personally respond to your questions and offer constructive feedback and guidance.

“I was extremely impressed with the quality of the training that you delivered”

Tony Read - Mentor Education Diploma Graduate

Course Overview

In this ever-changing marketplace, employers are increasingly looking for candidates who are equipped to meet the challenges of being a successful credit representative, loan officer or broker and graduate at the leading edge of their field.

Entry requirements

This is an open entry course with no prerequisite qualifications. In order for participants to successfully complete this course, it is recommended they have a strong grasp of literacy and numeracy.

Who Should Enrol?

The program is for successful credit representative, loan officers, responsible managers and brokers who wish to offer consumer credit advice, it has a strong practical, experiential focus which encourages application of principles.

• The courses can be tailored to meet the needs of credit licensees, organisations and institutions.

• It is also appropriate for candidates who intend to become credit representatives and responsible managers.

Course Outcomes

This Credit Management qualification is required by responsible managers and representatives who need to meet the initial requirements of Section 47(1) (f) of the National Consumer Credit Protection Act 2009 (National Credit Act) which places responsibility to gain and maintain the competence to provide the credit activities authorised by a credit license.

Each subject includes:

• Proactively assess clients loan applications.

• Assist clients through the lending process.

• Provide tools that protect clients and ensure the clients suitability.

Assessment

Assessment tasks may be a combination of:

• Short answer questions

• Case study and scenario responses

• Projects, Portfolio

• Role Plays

• Practical Demonstration

• Journal and Self-reflection exercises
